

Announcement for Upcoming event:

FACIAL YOGA: Skin care with Essential Oils & Age Refining Technology

Skin Damage, Wrinkles, Sign of Aging..... What type of skin concerns do you have???

If there were **NATURAL WAYS** to diminish wrinkles and reduce the sign of aging, would you like to know???

PLEASE Join me and Hiroko Hibbard at the office of Butterfly Essentials and Spiritual Healing for a hands-on facial experience! This is what Hiroko shares:

“I tell people that I stopped aging at the age of 25 and I've been getting a lot of compliments about my skin lately.... However, I will share that my skin condition was horrible over 10 years ago due to psoriasis/eczema and extremely dry skin. (Only those who know me over 10 years ago know this....)

Thanks to the healing power of **therapeutic-grade essential oils** and **Age Refining Technology** and **Face Yoga/Lymphatic Draining technique** that I practice, my skin has been healthy for the last 10 years.”

At this event, she will share:

- * What you should know about SKIN and Age Refining Technology
- * How your Face will look like 10 years from now. (Yes, you will get to see it)
- * Which essential oils are great for SKIN DAMAGE.
- * How to apply lotion/cream on your face EFFECTIVELY (I will share 3-minute special treatment that I learned from my brother; make-up artist)
- * Natural Face Lift!!! FACIAL YOGA and Lymphatic Drain Technique that you can practice at Home!
- * How to make you feel 10 years Younger with Grapefruit oil

If you'd like to try this 3-minute technique to FEEL the difference, please show up with NO make-up!!! We'll have fun!!!
